LELAND HIGH SCHOOL

6677 CAMDEN AVENUE

SAN JOSE, CALIFORNIA

Foreword

A constant hope for the future by a faith in the building of the present. This is an ideal as prevalent today as it was hundreds of years ago, during the Middle Ages. Despite the passage of time, we carry out the sentiment in much the same manner as it was carried out in the medieval era. Ages have gone by, but not the firm belief in this ideal and the means of attaining it: development of a well-rounded individual through an education of mind, spirit, and social skills.

In medieval times, hope for the future lay in the knighthood. An aspiring knight did not receive his title until he first served as a page, then as a squire. It was during those years he received an education in mental and social skills, the former being attained through private tutorship and the latter by a carrying out of the code of chivalry. Yet his education was not complete until the aspirant developed a physical prowess and more important, a devotion and respect to the castle and realm which he was to defend.

In September of the year past, Leland High School opened its doors for the first time. Where once had been fields and orchards now stands an institution dedicated to producing hopes for the future. Here, as was true with the knights of old, we receive our education in three areas. Through study we gain a knowledge irreplaceable for the future. Through the numerous activities we learn how to function and succeed in our society. And through a development of spirit, both physically and mentally, we gain an incentive to succeed in all our future quests. What do we owe Leland for all that it has given us? An unwavering respect and devotion which we should carry with us for all time.

School Spirit–An Important

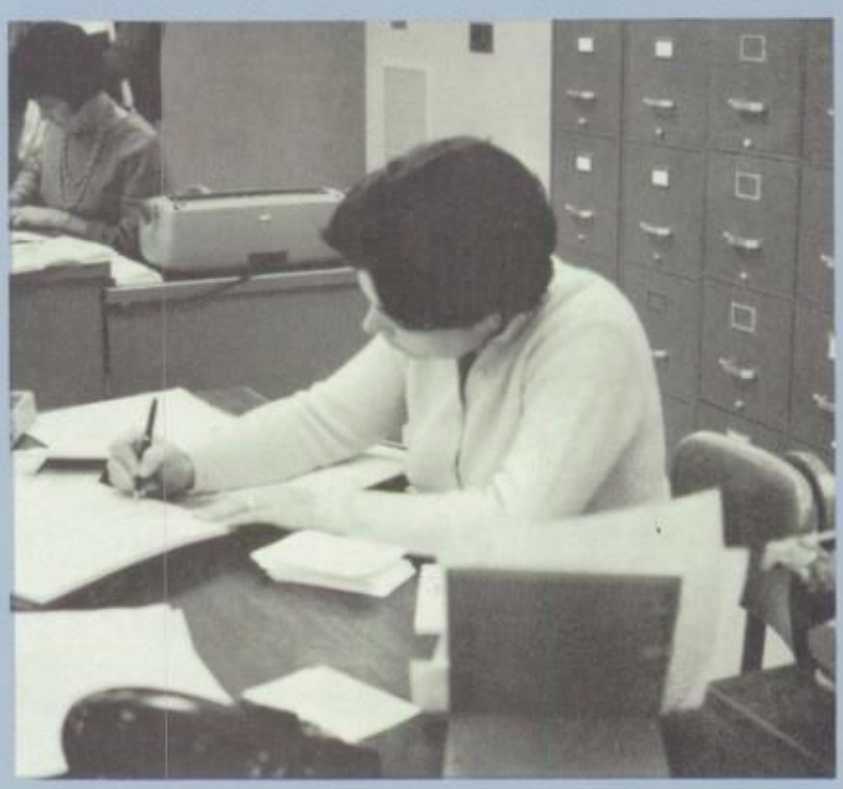
Part of Leland Life

IN DEDICATION. . .

The shapes and forms of Leland High have been completed. Her foundation is solid, its buildings secure. But more important, the foundation of a great school has been laid.

The first day of school drew more than 600 eager, spirited, and determined students to Leland's doors. Together with the faculty they began to mold a reputation that cannot be surpassed. Spirit was tops, scholastics held their importance, and morale was high. Everyone strived to make the Charger name known and respected.

It's up to future Chargers now; to uphold the standards and traditions that were set this year. No thanks is enough for the accomplishments made. Congratulations students and staff for a job well done. Good luck, Leland.



Administrators and Counselors

"In the battle of life it is not the critic who counts, not the man who points out how the strong man stumbled, or the doer of the deed could have done better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly, who errs and comes short again and again because there is no effort without error and shortcomings; who does actually strive to do the deeds; who knows the great enthusiasms, the great devotions, spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those timid souls who have never tasted either victory nor defeat".

These words of President Theodore Roosevelt express a philosophy that brings an extra dimension to living. I hope they will have relevance for you.

Best of good fortune and happiness to you, Seniors.

Mr. Richard King
Counsellor

Continually guiding our lives, teaching us how to understand, and providing for our future needs are the counsellors, Mr. King ana Mr. Hoshaw.

Helping each student to find his interests in courses is one of the main responsibilities of our counsellors. They also provide warm patience and a willingness to consider the student's personal problems.

In addition to this, the counsellors are active in other areas of campus life. Mr. King is advisor for the Senior Class and Key Club. Mr. Hoshaw serves as counsellor for Vocation Center, teacher of two life science classes, and advisor for the Sophomore Class.

In addition to this, the counsellors are active in

Mr. Walter Hoshaw
Counsellor

The friendly smile of Mr. Richard Bondilie, known among students as Mr. "B." can often be seen around campus, despite the fact that he is busy as Dean of Boys and Head of the counseling department as well as being in charge of athletics and transportation. The door to Mr. Bondilie's office is always open to anyone who cares to enter and his open manner has made him one of the most popular figures around school.

Mr. Richard Bondilie
Dean of Boys

Mrs. Harriet Rudd
Dean of Girls and
Vice Principal of curriculum

One of the hardest working members of our staff is Mrs. Harriet Rudd, Dean of Girls, who also serves as Vice Principal of Curriculum, handling programming and scheduling for both students and teachers. Mrs. Rudd's warm charm and devotion to her work have made her actions some of the most influential during Leland's first year. This is the second time Mrs. Rudd has been involved in the opening of a new school.

Pages Help to Build New Spirit. . .

The Page, beginning his quest for Knighthood, developed a physical and mental prowess as well as attaining a loyalty to the realm and its subjects. He participated in games that taught skill and strategy. In addition, he was tutored in the "code of chivalry" and scholastic subjects.

The Sophomores, beginning their first year at Leland, developed in ways similar to that of the Page. They participated in school government, athletics, school plays, and other student body activities. Through all these endeavors they have begun to develop a sense of loyalty, spirit, and pride that will benefit themselves and Leland in the future.

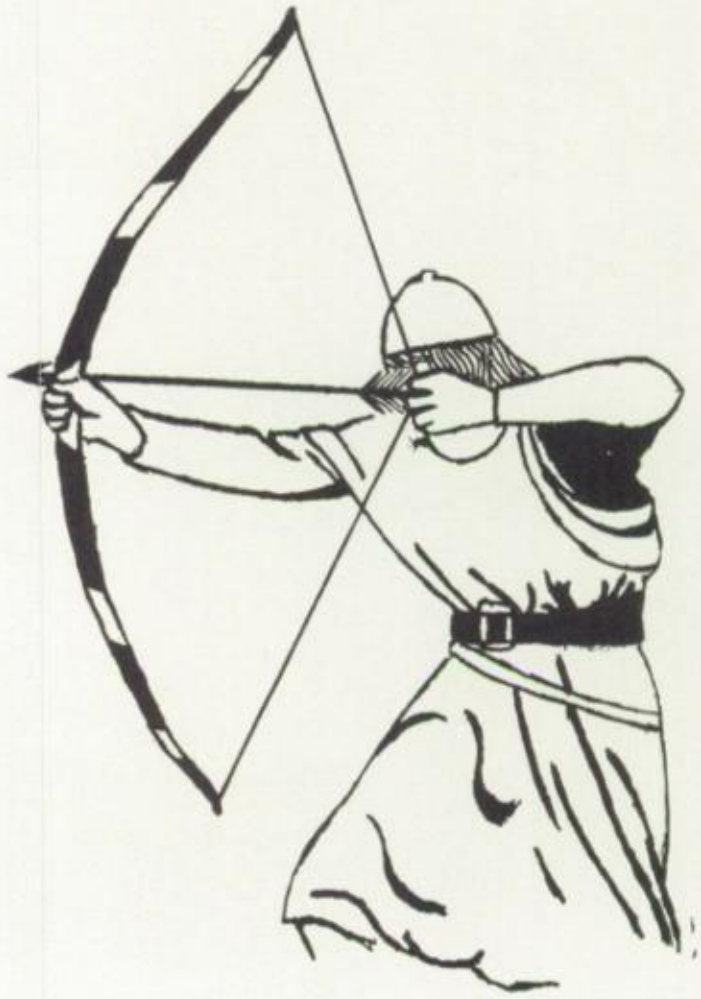
Squires Work Toward the Goal of Knighthood



The Squire, after completing his duties as a Page, advanced to the intermediate stage in his quest for knighthood. He went through a rigorous training to further develop his fighting skills, and his advancement in the scholastic fields conditioned him for the future.

In the intermediate stage of high school education, the Juniors have developed in ways that parallel those of the Squire. In the athletic fields they began their first year in varsity competition . . . scholastically they have become accustomed to the modes of teaching and have developed skills that will aid them in the future.

THE LELAND FAMILY

IN MEMORY OF . . .

. . . Mr. Raymond B. Leland, a dominant figure in secondary education in San Jose High School.

. . . Gordon, his son, a graduate of San Jose High School and West point, who was killed during World War II.

Serving as guest of honor at dedication ceremonies was Mrs. Raymond Leland, who still vigorously participates in community life. We are both proud and privileged to be associated with the Leland family.

Though our first year at Leland has been full of struggle and growing pains, we hope the traditions which have been set for years to come will be as fine as the name our school bears.

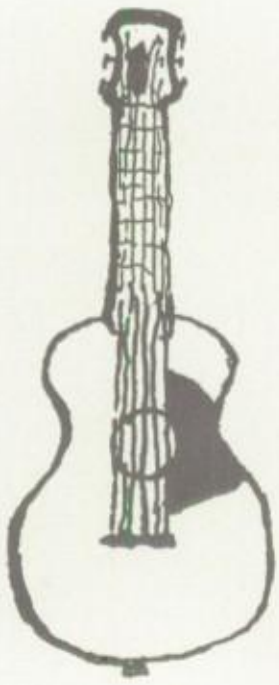
Senior Folk Festival

Flourescent paintings, psychedellic posters, and special lighting created a coffee house atmosphere in which 250 people gathered for Leland's first annual folk festival. Sitting on the floor munching peanuts and licorice, the audience listened to a wide range of folk music, from a jug band beat to folk rock. The psychedellic songfest boasted singers from San Francisco State and San Jose State, as well as from Leland and other high schools in the area.

Singing sisters Donna and Lorraine Cook swing to the beat as their uniquely deep rich voices set the pace.

Leland songbirds Jeanne Holmes and Marge Wimpee transfer their mood to the audience with deep feeling.

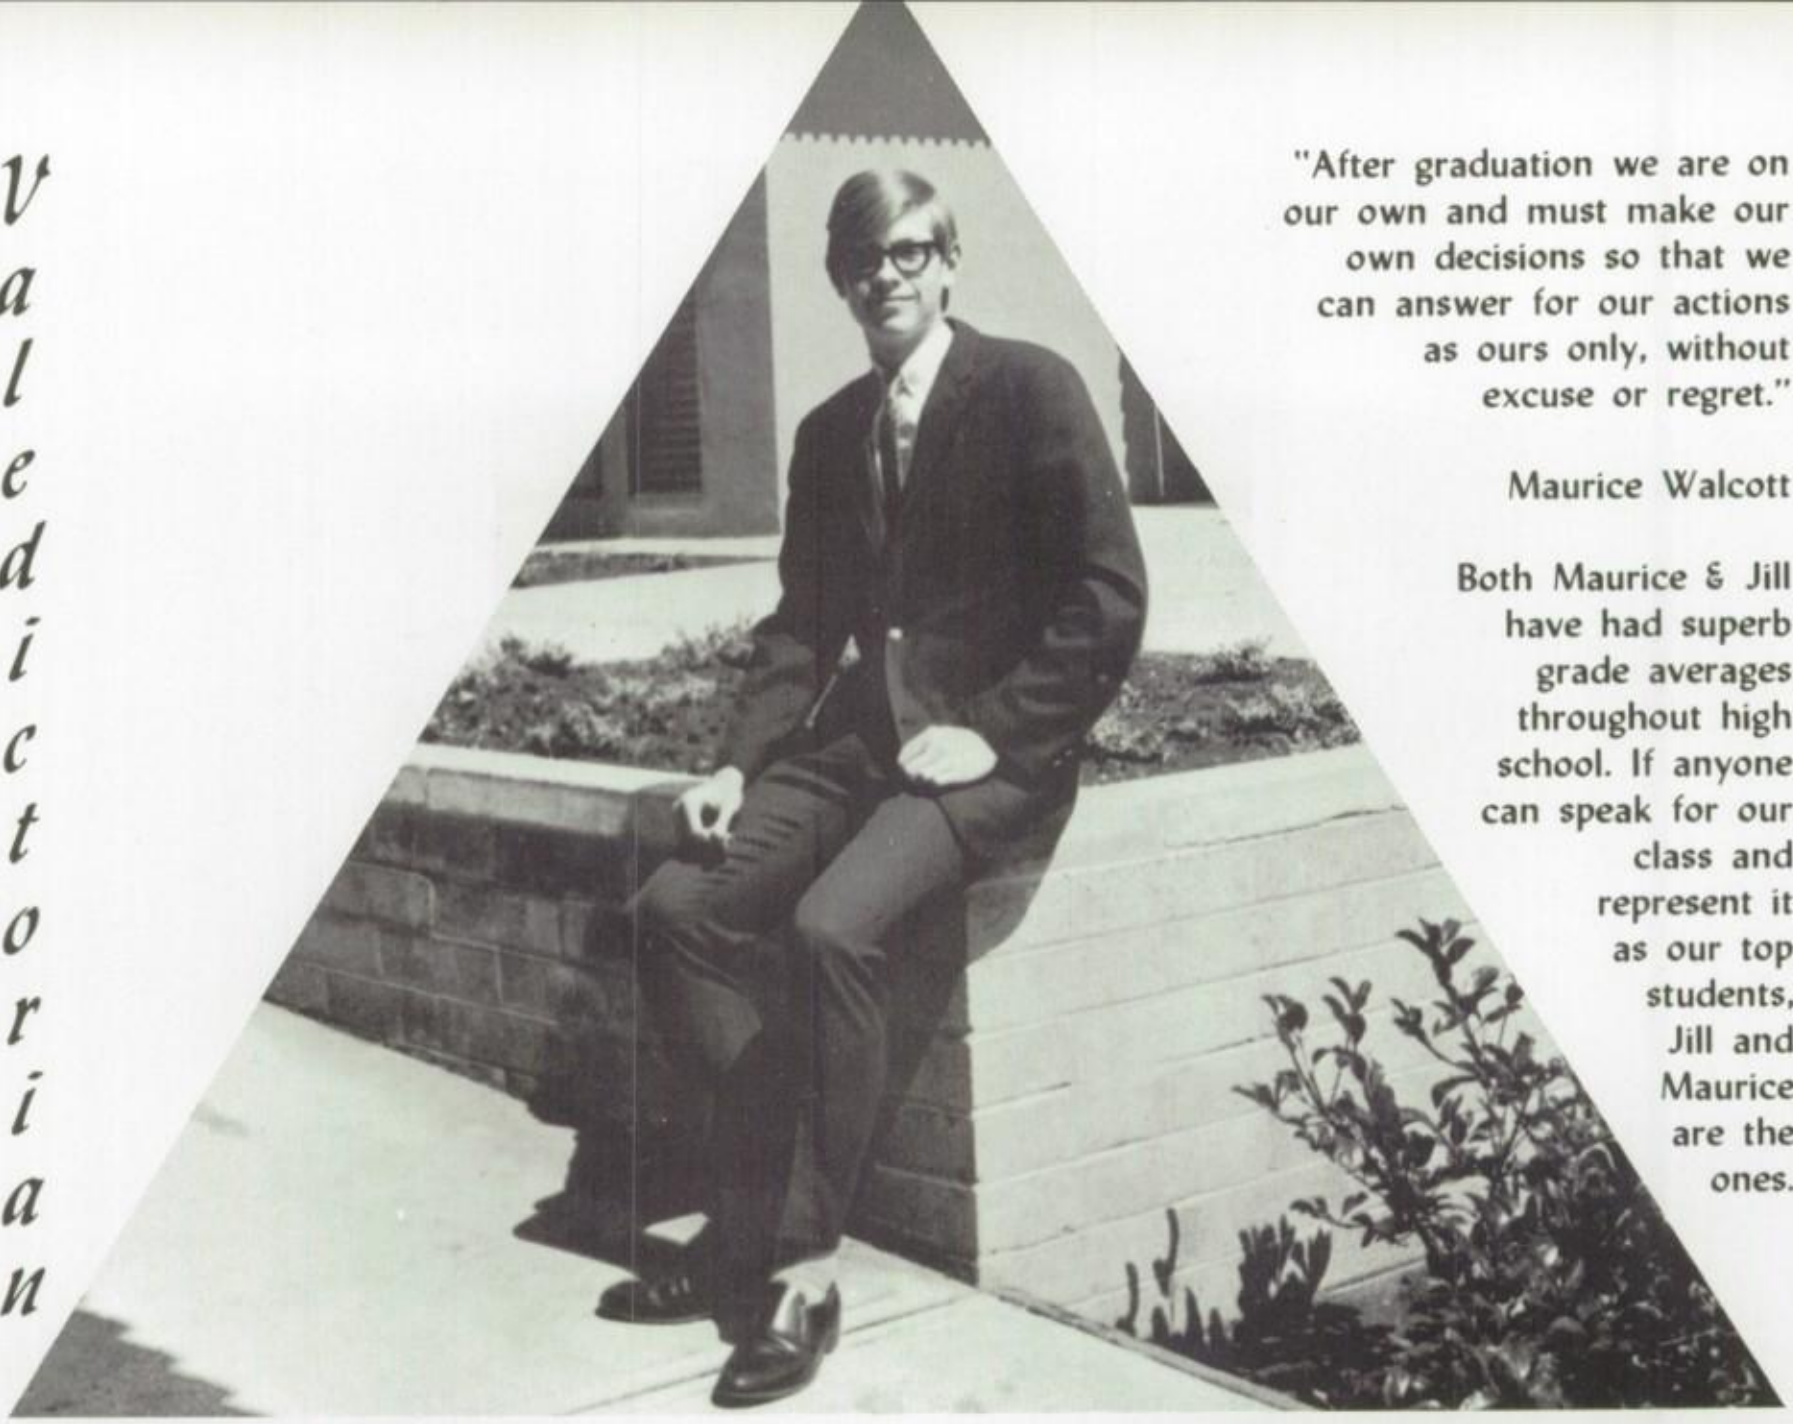


The Senior Ball

"Come on Baby Light My Fire"

Amid the rustle of velvet and the swish of satin, the Seniors danced the night away. The first Senior class of Leland High School gathered for their last time together. The couples reminisced over the past sports season, the wild after-game dances, and the good times spent together. The Ball was held at Kelly Park in San Jose.

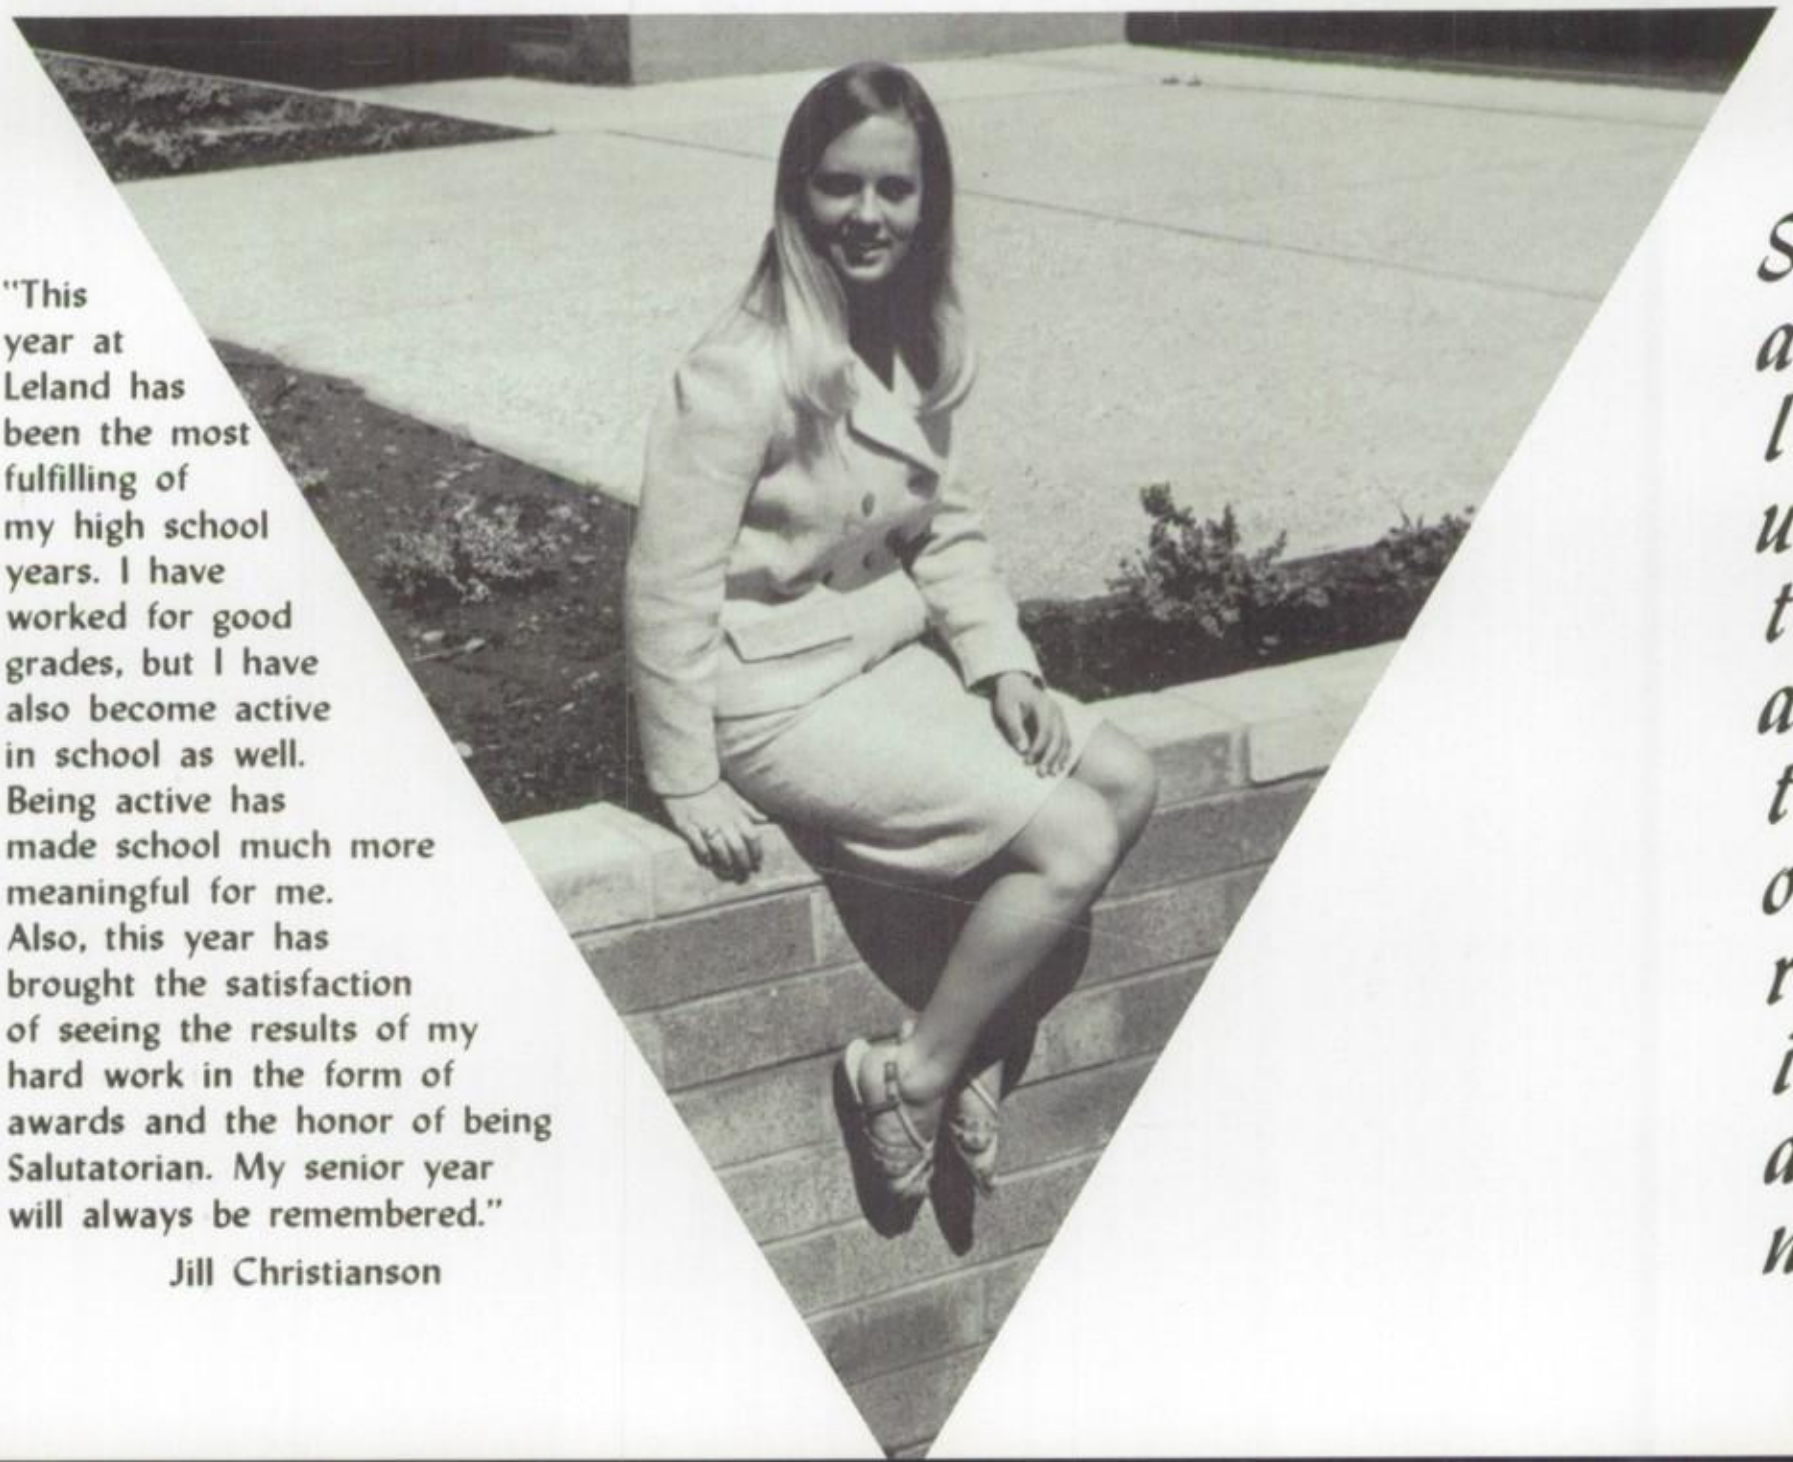
Valedictorian



"After graduation we are on our own and must make our own decisions so that we can answer for our actions as ours only, without excuse or regret."

Maurice Walcott

Both Maurice & Jill have had superb grade averages throughout high school. If anyone can speak for our class and represent it as our top students, Jill and Maurice are the ones.



"This year at Leland has been the most fulfilling of my high school years. I have worked for good grades, but I have also become active in school as well. Being active has made school much more meaningful for me. Also, this year has brought the satisfaction of seeing the results of my hard work in the form of awards and the honor of being Salutatorian. My senior year will always be remembered."

Jill Christianson

Salutatorian

What mighty knights we have become! Such a bold, brave, and courageous class; we're ready to join the pulsating world. But if for even one minute we stop—and reminisce; our confidence dwindles, our courage fails. How can it be? How can we be on the final threshold of our very own futures? No more will we join in the cheers for our Chargers, decide on a Senior dress-down day, or study fervently for a final exam. No more will Leland's sturdy halls and buildings shield us from the responsibilities of the world. Now we must grasp our own shields, make our own path ways, and build our own buildings.

Creating the first traditions for Leland Knights was an experience to be treasured forever. Senior days, senior tables, senior tree . . . and oh yes; our senior tree. The tree that symbolizes strength and determination. These are the essential qualities that all pages and squires must learn before they can rightfully call the mighty tree their own.

So many thoughts; so many memories are embedded in our minds. We can never forget the wonderful moments, nor the work we did to make these moments possible. But in remembering, there is no boasting. We are PROUD to be the first graduating class of LELAND HIGH SCHOOL. So proud, that the words of gratitude are lumps in our throats.

Goodby Leland—faculty and fellow Chargers. Remember, you have alumni now, and we'll be back. Someday . . .

Farewell to Seniors

I hope this year at Leland has been the best year of your life, the opportunity to share in the building of a new school is reserved for a few, but the responsibilities are many. You have carried out these responsibilities in a manner that has exceeded my expectations.

Being the first graduating class, you have established a pattern for others to follow. You have exemplified attitudes that have brought honor to the school and pride to us who are associated with you. Finally, you will always occupy a special place in our thoughts, because you are the first senior class.

It's been a real pleasure and a tremendous amount of fun to have been associated with you during this year.

The yearbook staff has dedicated the LEGEND to the entire student body of Leland High School. We felt this to be the best choice because of the amount of work that the students have done. to give Leland its great start.

In the LEGEND we have tried to bring out all aspects of student life and all of the accomplishments that have been made.

A special thanks goes to our photographers, Lauren Moll and Paula Sund for the fine job that they did. Also a special thanks goes to Mr. Shoemaker, for spending a great deal of his time to help us make the LEGEND a fine book.

This past school year has presented a challenge to the seventeen students who have made the first Charger Account staff. These beginning journalists have, through their own experiences, learned how to write stories & headlines, edit stores, conduct intervies, prepare lay-outs, and solicit advertising while also meeting tight deadlines.

Campus activities, special features, student opinions and humor were molded together by the Account Staff for Leland students to read, laugh with, disagree with and enjoy. I want to give my special thanks to Mrs. Maggenti and Mr. Seandel for their guidance in making the Charger Account become a part of Leland.

This first year has been an enriching and trying one for the entire staff. Every student in the 1:50 newspaper class can be proud to know that they have begun a tradition that Leland will carry on through-out its existence.

The A.S.B. Government took on a new look at Leland this year. Better communications were established through the representatives to the guide classes. The system was set up so that all students could participate in the student government.

New Commissioners were set up also. A commissioner of Athletics, Drama, Speech, and Records were appointed to handle these fields of government. A successful Keg Dance was held to welcome the new sophomores. Leland's first semi-formal was the Premier Dance, staged by the A.S.B., and enjoyed by all. A club day was also sponsored by the A.S.B. to inform the students about all the various clubs on campus and how to join them. A successful Student Union was set up providing live entertainment every Friday at Lunch in an attempt to solve the litter problem.

I feel that Leland's government got off to a good start because more students have participated in the activities and realize that everyone has a part in student government. I hope that this tradition of involvement will continue to grow at Leland in the future years.

To all the future leaders of Leland, I wish you the best of luck.

The student Government at Leland High School is organized to provide the students with the opportuniy to develop leadership. Communication between the students and their government is done through the House of Representatives and class meetings. Student activities, projects and expenditures are also passed through these organizations.

During the second semester many new faces were seen in student government. New officers, commissioners, and representatives were elected which gave more students a chance to participate in their government.

Leland's first year of Student Government has proven to be very effective. This was shown by the many clubs that were established, the activities that were put on, the committees that worked on all of the activities and in general all the time and effort that was put into making the Student Government an active one.

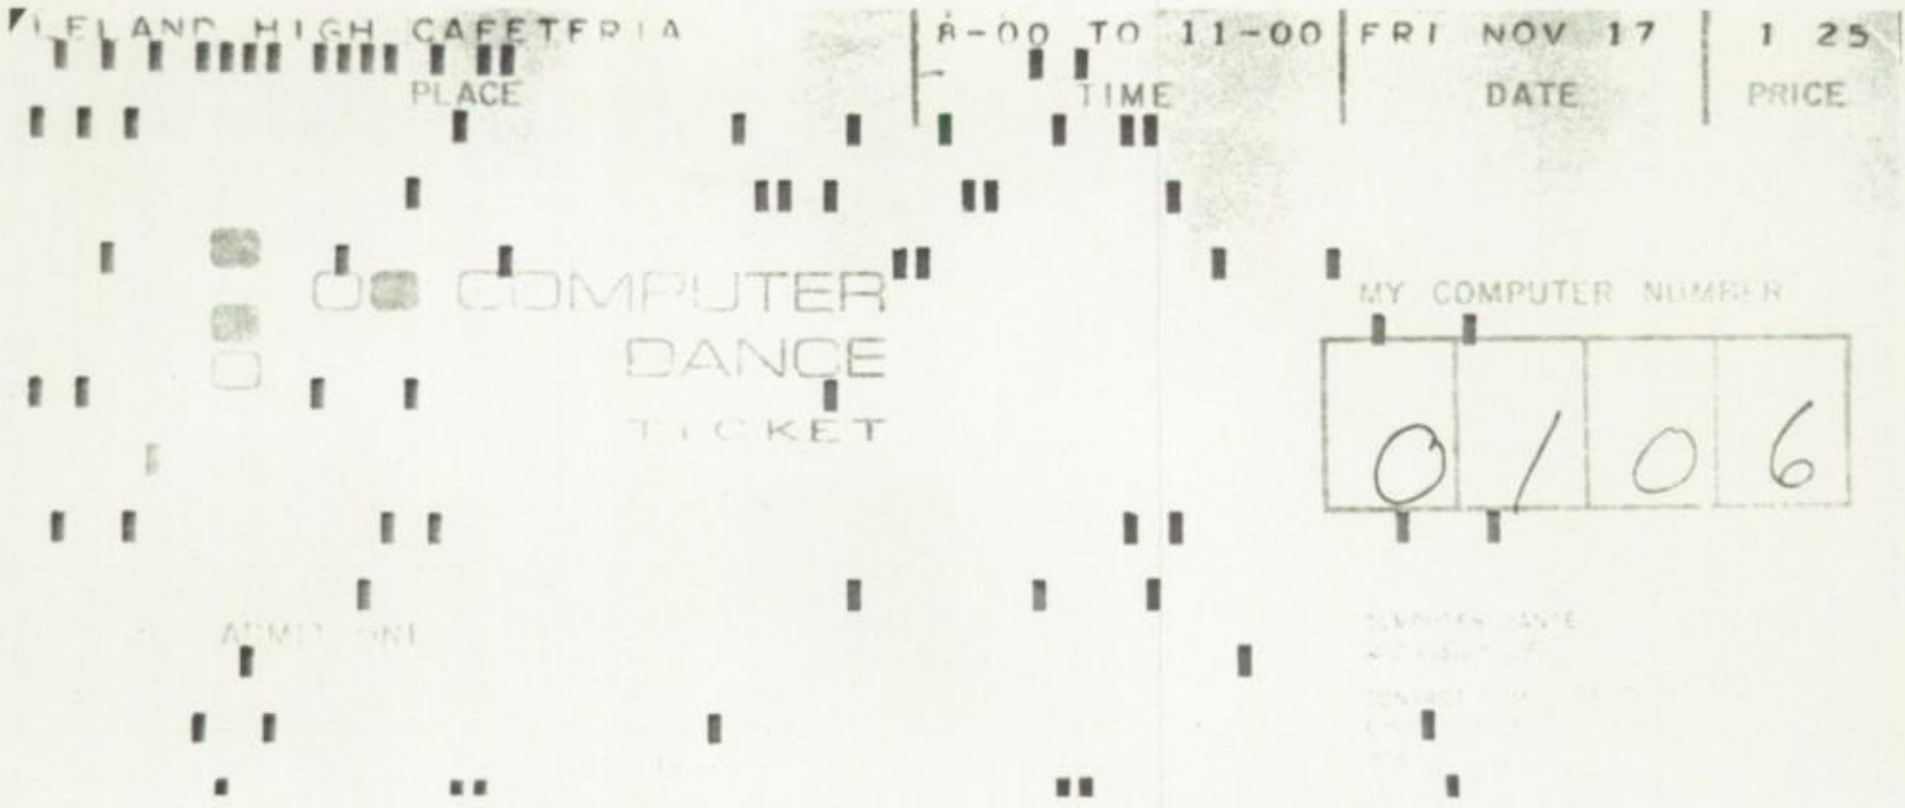
The club which consists of athletes who have lettered in a particular sport is well recognized around campus. They sponsored such activities as the KLIV Prunes vs. the Men's Faculty in a basketball and football game, the varsity basketball team against the men's faculty in a basketball game, and with the sale of concessions at basketball games the Letterman's Club has brought money into their empty treasury. The Key Club is the number one service organization on campus. The thirty-seven members are part of a nation wide organization called Key Club International and our own Club is sponsored by the Willow Glen Kiwanis.

Some of our activities included the Marathon Basketball game—a 24 hour match against Pioneer which resulted in a defeat of 1601 to 2361. The Key Club also put on the Computer Dance and is sponsoring all After Game Dances during basketball season.

As for personal pleasure there is a planned ski-trip at the end of the year along with attending the Asilomar Convention.



Leland was first in the area to have a unique Computer Dance. Students filled out questionares and these were sent to Boston and run through a Honeywell 200 Computer. When anxious students arrived at the dance they were presented with a card bearing their number and their ideal dates numbers. Chaos ensued as hopeful boys sought out nervous girls. The band was the Copper Brick Window.

Harold Thayer Car Rally

This old Bomb just might make it if I can just get the tire changed!

On March 2, 1968, the Leland Key Club sponsored a car Rally for Harold Thayer. Harold's kidneys were damaged by disease and he required very expensive treatment. The Car Rally was held to help Harold's family pay for the expenses.

The Car Rally proved to be very amusing. Out of the fifty-six cars that started only about twenty-five ended up at the destination. After ending up at such places as San Francisco, Monterey and Alviso most of the contestants made their way back to the Dance which was held at the Almaden Country Club. During the dance the winners were announced, they were: Marv Parsons, first; Dale Adair, second, and Cheryl Kanzau, third. The Berkeley Farm Band provided the entertainment for the dance.

All in all the day proved to be very eventful and everyone who participated in the rally enjoyed themselves.

Are you sure the sign said TURN RIGHT??

Hmm, think I'll trade it in for a volkswagen!

This year Leland's drama department presented its first play entitled "Mr. Hobbs Vacation." The play proved to be an outstanding performance in both acting and production.

"Mr. Hobbs Vacation" was a comedy enacted by a cast showing talent far above the average. Mr. Hobbs was portrayed by Bill Higgens who adlibbed his own character which paralleled the role of Mr. Hobbs.

Inspired by Mr. LoBues excellent direction the students excelled in carrying out their individual roles in each play.

The drama department also presented another play which was entitled "All My Sons". It was presented late in the spring. This drama involved a fathers failures in himself and the affect it had on his family and immediate friends. It was a contrast to the first play but it too turned out very well.

Photography

Under the able direction of Mr. Dave Dickerson, the Charger Photography Staff had an eventful and interesting year.

Students captured exciting and memorable campus and social activities for Leland's yearbook and newspaper, while often endangering their lives dodging blocks on the sidelines or balancing on a teetering ladder.

Working many long hours in the well-equipped developing lab these students made an outstanding contribution to the campus life.

Lauren Moll, Chief Photographer

Posed in action!

Thanks to Lauren Moll's experience and helpful direction, the photography staff was able to meet last-minute newspaper and yearbook deadlines. Lauren, Chief Photographer, organized the staff to be efficient and creative in their quest for originality. In her sometimes thankless job Lauren diligently worked extra hours and on week-ends to process needed pictures. The Yearbook Staff would like to give a special thanks to Lauren for her patience and dedication.

The Charger defense tries to stop a tough Willow Glen offense.

Though hampered by injuries and lack of experience Leland's gridmen never lost their spirit in their effort to bring victory to Leland. With a team composed of inexperienced juniors and seniors, coaches, Kent Miller and Don Bell developed a football team which any school could have pride in. In the chargers second game the gridmen traveled to Piedmont Hills High School. Piedmont a powerhouse in the M.H.A.L. looked like no match for the rookie chargers. At the kick off Piedmont discovered that Leland knew the meaning of the word tackle. A look at the scoreboard at halftime showed a 0-0 deadlock. At the beginning of the fourth quarter the score remained the same. Piedmont's depth proved the deciding factor as they finally proved victorious but only after Leland showed that they knew how to play football.

The story was the same in three of Leland's other contests. In the Live Oak, San Jose and Gilroy games the Charger gridmen showed that they had pride in their school and spirit.

The final game of the season was the game which brought victory home to Leland. The varsity gridmen showed their appreciation for the support which the student body had given them by giving them a 35-0 victory over Oak Grove.

The inexperienced Chargers showed their willingness to learn when it came time for All-League selections. Receiving All-League recognition, were Kim Krieder, Pat Moore, Tom Coleman, Mike Edgemon, Glen Grimditch and Dave Salazar.

Behind the leadership of coach Ross Shoemaker, the Sophomore football team proved that they had as much pride and spirit as their upperclassmen.

The Soph. gridmen began their league competition with a 0-0 tie to arch rival Pioneer High School. Then came their victorious effort against the Gilroy Sophs. The Gilroy game showed the little Chargers scoring a 13-7 victory, their first of the season. The next victory and what coach Shoemaker termed "our best played game" came against Lincoln in a hard fought 12-8 decision. Highlights of the game were an eighty yard touchdown run by Kit Berry and a fumble recovery and touchdown run for Leland's second score. An outstanding defensive effort, especially by the line, is what brought victory to the Sophomore gridmen.

Outstanding players for the team were, Mark Smith and Jim Heagerty who made the first team defensively in the All-League selections. Other outstanding players were Steve Kain and Dave Sluka; who made All-League second team offensively, defensively, respectfully.

Spirit Trophy

WHO ARE THE CHARGERS?
WE ARE THE CHARGERS!

Was the cry that let everyone at rallies, games, tournaments and conventions know that the famous Leland Spirit was on hand.

The "baby" school of San Jose Unified School District, led by their vivacious and dedicated cheerleaders, captured the Spirit Trophy at San Jose's Teen Convention. By the enthusiastic response of the Charger rooters to these girls, at all these functions, it could be seen the cheerleaders were instrumental in building a foundation of spirit here at Leland. Not only did they create and mold unbelievable spirit, but also built a 1st class reputation for Leland, a 1st Class School.

Spirit Commissioner

This past year at Leland we have worked hard to develop the foundation of a lasting school spirit. It is in the first year of any school that traditions are established and it is my sincere hope that a tradition of lasting school spirit has been established here at Leland High. The enthusiastic support of our Student Body toward our team was that of excellency.

The spirit staff along with myself appreciated the tremendous response from not only the students but also the faculty of L.H.S. It made our job that much easier and rewarding. I'd like to express my thanks to the countless people who helped in making Leland's Spirit the greatest around!

Led by the S.T.A.L. high scorer and M.V.P. Bill Tracy, the Charger's varsity water polo team brought Leland its first championship. The Charger Mermen also had the league's best goalie, Rich Leo, and two other Outstanding players, Scott Vollrath and Bob Edgren.

Coached by Doug Wright, the poloists had an easy time rolling over all of their league opponents. After defeating all the teams in our league they moved over to M.H.A.L. League Champs. Our Chargers were victorious over Ayer to become the sixth best team in Northern California.

Concerning his highly successful season, Coach Wright commented, "This was the best team I ever coached."

The Sophomore Water Polo team, also directed by Coach Wright, had an equally successful season.

Greg Menges, M.V.P. for sophomore league, and Mike Lange, paved the way for their team in their championship season. Both were selected to the All-League first team.

The team, directed by Coach Dick Davey reached its highpoint in a close 48–44 loss to Pioneer who took 2nd in the league. It was in this game and in their two victories over Live Oak and Gilroy that the success of the C's shone brightly. Outstanding player for the C team was Bill Bruce.

D's

Along with experience, the D basketball team gained three victories in their hard fought season. The victories came at the hands of Gilroy, Lincoln, and Willow Glen. The last was the most exciting game of the season in which Leland finally scored a 37–34 double overtime victory.

The D's are also coached by Coach Davey. Their outstanding player was Bob Wood.

TO THE TEAM:

I am proud to be associated with the individuals on Leland's 1967-1968 basketball team, because they had these attributes. Words are not enough to tell you how much admiration and respect I have for each individual. Thanks for the 110%.

In its first year of competition, the Varsity Basketball Team proved itself a club to be reckoned with.

In pre-league competition, the Charger quintet started winning ways by nabbing the consolation trophy in the Westmont Tournament. Early in the season the Chargers surprised undefeated Lincoln by taking the Lions into overtime. High points of the season were two close victories over our arch-rival Pioneer.

Several Chargers displayed outstanding performances. Center Rich Leo paced the league in scoring, and constantly out rebounded his opponents. Ken Richardson offered strong support for Rich on the boards, while also scoring steadily game after game. Bill Drennan, the other forward, distinguished himself as a clutch performer both in rebounding and shooting. Chris Shaw, a guard, also showed himself to be a key player, often making vital baskets in the waning moments of a game. Rounding out the first five, was Dave Salazar, who's excellent ball handling often resulted in a score for the Chargers.

It was a year of disappointment and triumph for the sophomore basketball team. Disappointment in the fact that the sophs losses usually came in the fading moments of the game, with only a few points separating them from the victors. Triumph came in hard fought victories over such teams as Ayer, Oak Grove, and Mt. Pleasant. Triumph also came in the determination, pride, and ability which was displayed by every member of the squad.

The performance of the first five could be summed up with the word "hustle". Each and every member displayed this ingredient particularly Dave Godienez and Steve Kain. Dave Sluka added excellent shooting ability while Jim Heagerdy contributed on he boards. Possibly the finest individual effort came from Paul Hammer who paced the team in scoring and rebounding.

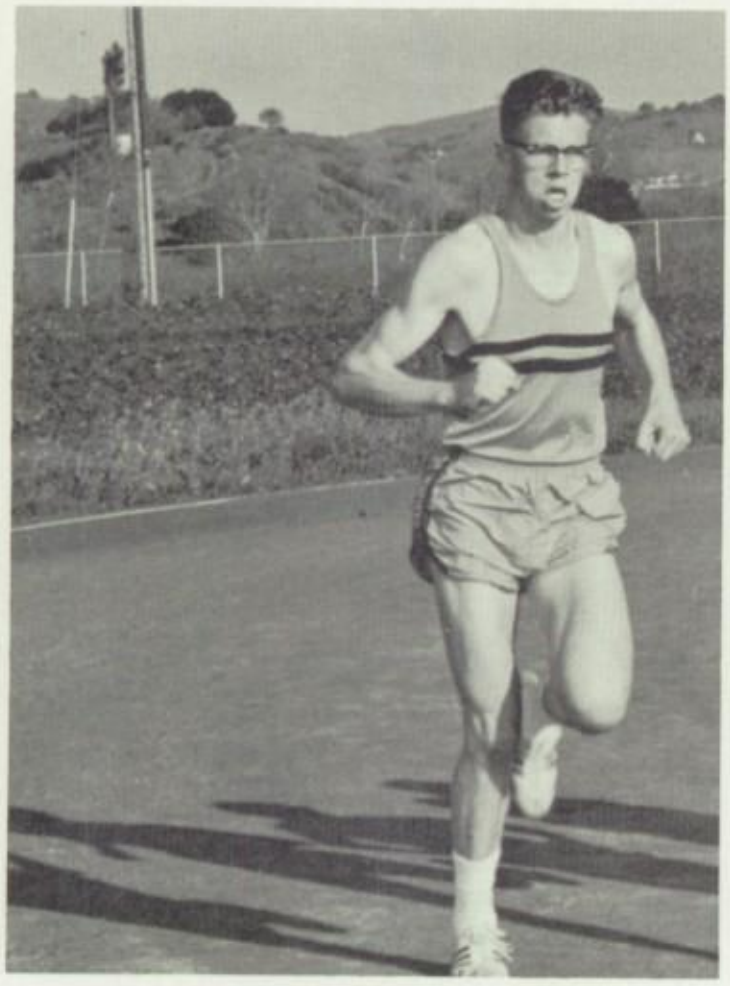
Varsity Track

Geoff Silva on his way up.

Up-Up-and away!

Two-miler Charles Hurbert.



Lelands "B" and Varsity track teams had a very good season. Our first meet held at Leland made head-way for future wins. We took firsts in such events as twomile run, mile relay, hurdles, pole vaulting, and triple jump.

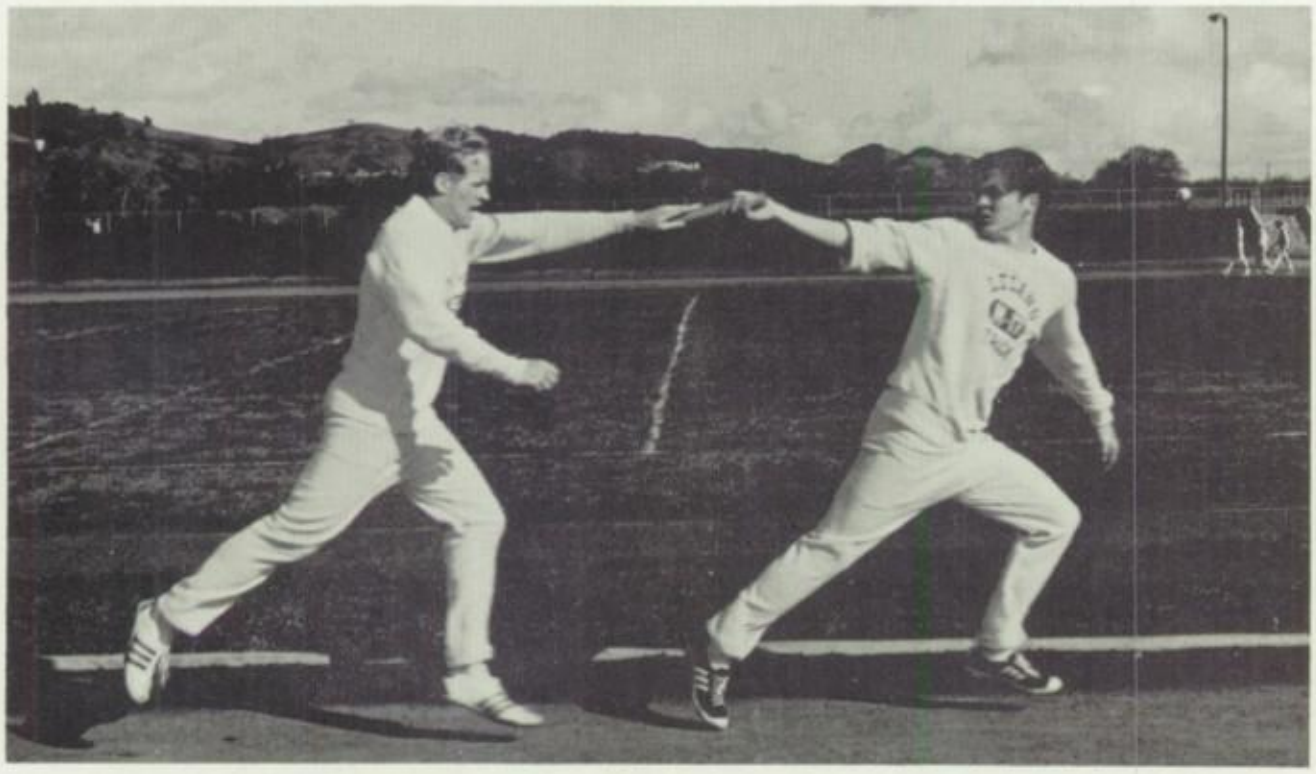
The track boys worked hard every day after school, despite the conditions of the field. Our team was well balanced this year, with good participants in almost every event. Leland had some fine athletes this year. Among these were Charles Herbert, two mile; Mike Tobar, one mile; Rich Hinderson, hurdler; Steve Harrison, Triple jump; and Geoff Silva, PoleVaulter.

As for next year the outlook is very good, although we will lose many Seniors the Sophomores and Juniors will be back to WIN!

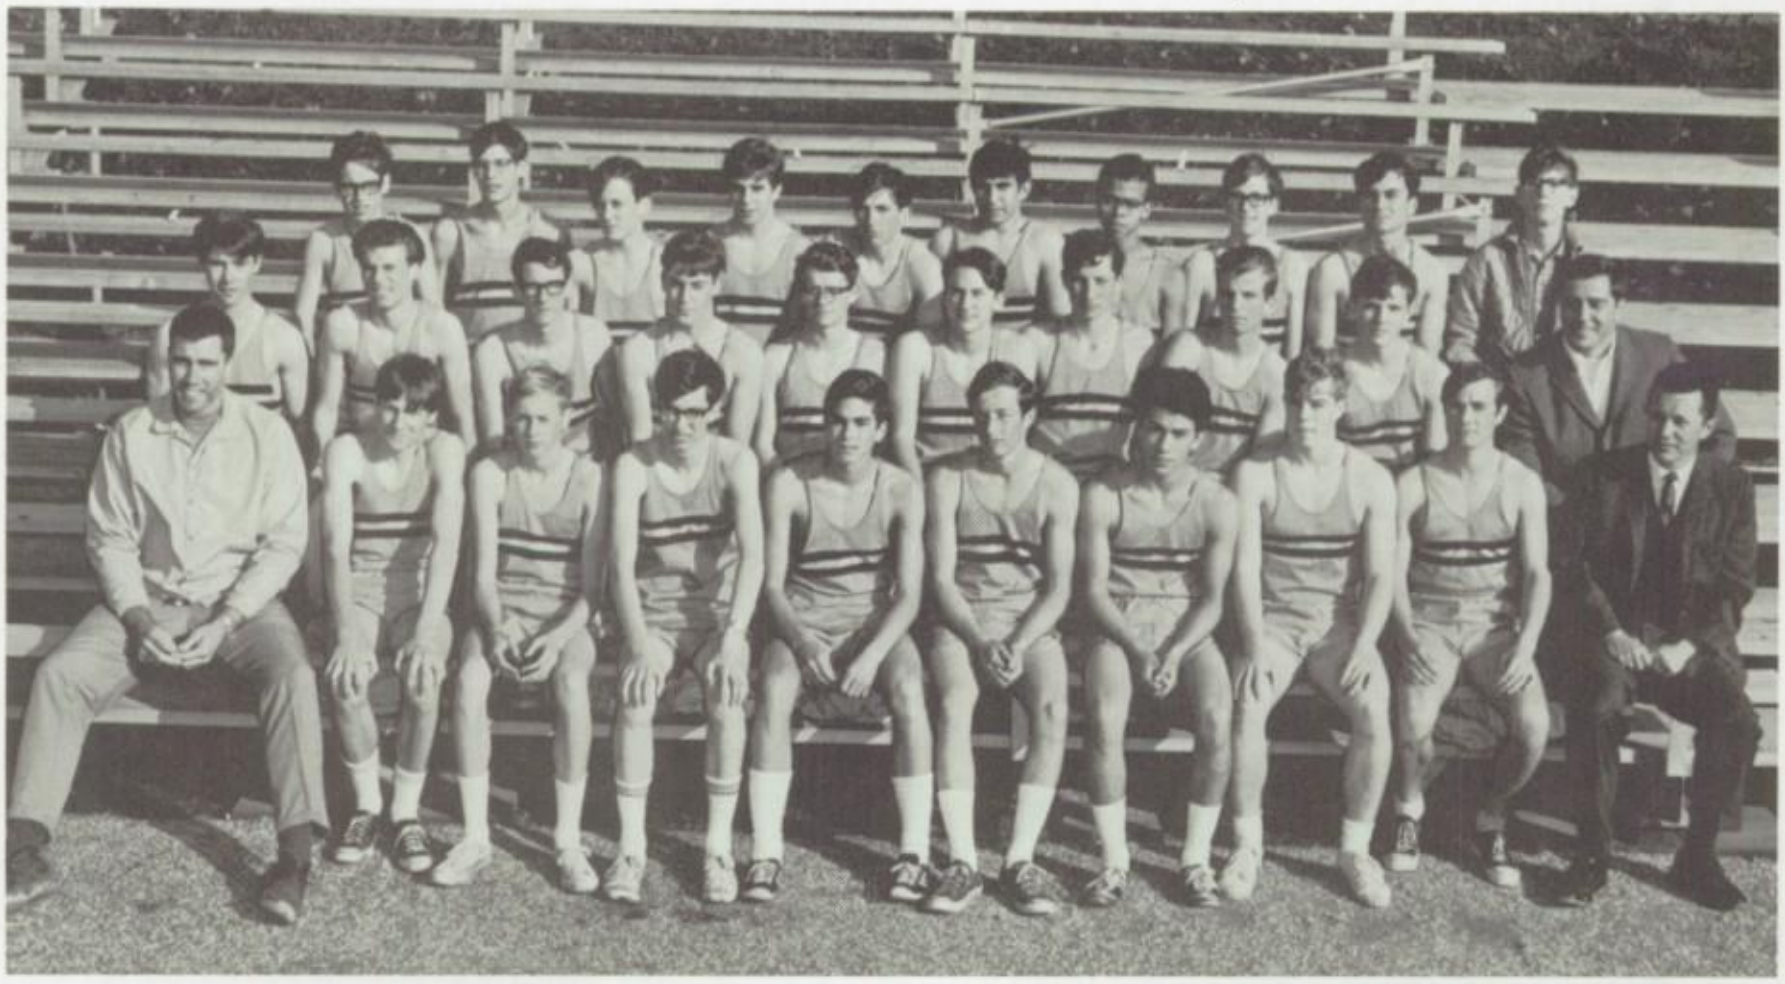
Mighty-Mike receives baton from Kitty.

Rich and Sean race over low hurdles.

Dale hands-off to Pat in the mile relay.



John takes a first against Oak Grove.



TOP ROW: *C. Netzley, D. Simon, P. Wood, K. Osterwomen, S. Powell, J. Joseph, K. Young, J. Bloomstrand, S. Photopoulos, K. Musitle.* 2ND ROW: *P. Jones, K. Woods, K. Thompson, L. Baze, C. Cole, B. Rudd, C. Apple, T. Wilkus, D. Hardy, Mr. Kruk.* 3RD ROW: *Mr. Bell, K. Fromm, T. Rose, S. Corbin, G. Buzzell, C. Gorton, J. Nieto, D. Moore, B. Wood, Mr. Sullivan.*

"B" Track

Dirk is always determined to win!

Rich, Gailen, and Bob are the "B" ' best runners.

Don Leonard exhibits good form in his drive.

Ron Spears completes his putt and finishes his round.

Golf Team—BACK ROW: Left to Right—S. Driscoll, T. Hughes, D. Bridgeman, K. Spears, K. Foley, G. Thayer, Coach, Mr. Mangan. FRONT ROW:—*Manager, G. Gould, P. Hall, V. Cardoza, S. Weber, R. Michael, D. Leanord.*

GOLF TEAM

Mr. Mangan has done a superb job this season coaching Leland's Golf Team. The team which consisted of twelve boys, the majority of them unexperienced, have proven to be fine golfers. The boys show off their ability at the beautiful Almaden Country Club Golf Course.

Scott Driscoll exemplifies good form while chipping the ball from out of the sand trap.
